

# COUNCIL OF CHURCHES OF THE OZARKS

---

In the past we have used several companies for local and long distance, and in 2002 we decided to give Windstream a try. Our association with Windstream has met our needs and surpassed previous experiences that we have had with other companies. It is a pleasure to work with a company that is willing to work with you to see that your needs met.

Barbara Gardner – Executive Assistant, Council of Churches of the Ozarks

**Mark Struckhoff • Executive Director**
