October 25, 2010

This letter is in reference to Wind Stream communications. Wind Stream has provided excellent service and technical support for our company. They are the most cost effective multi-media company out there. They have shown to be very professional and thorough. We would highly recommend them for your communication service needs.

Respectfully yours,

A handwritten signature in blue ink that reads "Scott E. Mullen". The signature is fluid and cursive, with a long horizontal stroke at the end.
